MEMORANDUM FOR THE DIRECTOR OF CIA RECONNAISSANCE PROGRAMS

SUBJECT: FY 1972 thru 1975 Cost Estimates

In order to provide a basis for answers to questions by review authorities, and to update the Five Year Defense Program, FY 1972 thru 1975 cost estimates for certain NRP programs are necessary. If a program is not specified in the attached guidance, it is considered that the NRO Comptroller has an adequate data base for projecting these future year costs.

These required cost estimates are to be submitted in one copy each for the DNRO, NRO Comptroller, and SAFSS. It is requested that these estimates be submitted as individual programs are completed, rather than in a total package. All estimates must be submitted not later than 31 October 1969.
